

St Anne's Vision

Our Aims are:

- To build a Community based on the Gospel values of Jesus Christ: Love, Hope, Faith, Justice, Acceptance and Reconciliation;
- To create an atmosphere in which all members of the community respect each other and know that they are valued;
- To nurture a caring and supportive spirit of encouragement and respect for each person, and an appreciation of all cultures;
- To enable each individual to develop his or her full spiritual, personal, social and academic potential;
- To help each student towards personal maturity;
- To encourage our students to care for the environment and become responsible members of society.

We strive to achieve these aims by:

- A spiritual formation based on the Catholic faith;
- Celebrating the Eucharist;
- Encouraging a praying, loving, caring community;
- Fostering a learning environment;
- Employing a committed and highly professional staff;
- Encouraging the support of parents.
